

# HUMANITIES KANSAS

Unsure if you're eligible to receive funding? Consider these questions to help determine if you meet the requirements to receive funding from HK:

**1) Are you an in-state nonprofit?**

In-state nonprofits are eligible. 501(c)(3) status is not required.

**2) Who is your target audience?**

HK Programs are designed for out of school, adult audiences.

**3) Are you charging an admission fee?**

HK funded programs must be free and open to the public.

**3) Is your event taking place on campus? *If yes, consider why this is the best place for the event.***

- Is the venue convenient for community members to attend (easy to access, free parking)?
- Is your event taking place at a time when it's most convenient for nonstudents to attend?
- HK programs cannot support class visits or classroom assignments.

If you have further questions or concerns please call program officer, Abigail Kaup at 785-357-0359.
