Humanities Kansas (HK) is leading a movement of ideas. We believe that stories carry our culture and ideas change the world. Culture Preservation Grants support projects that preserve and create access to historical or cultural resources that document stories of life in Kansas.

Goals of the program
1. Preserve stories that document the human experience
2. Increase public access to our shared cultural heritage
3. Enhance organizational capacity through the use of Project Consultant

What types of projects do we support? Oral histories, digitization efforts, transcription, collections care, language preservation, hands-on training, and other creative preservation projects are eligible. Using the knowledge of a Project Consultant and implementing best practices are the keys to a successful application. This program is a partnership between Humanities Kansas and the Kansas Historical Society.

Award Amounts: Grants are competitive with a maximum award of $3,500.

GETTING STARTED

Talk to HK staff. Applicants are encouraged to speak with HK staff early to discuss ideas or clarify guidelines. Contact Murl Riedel, Director of Grants, 785-357-0359, murl@humanitieskansas.org.

Online Grants Chat. Organizations may attend an online grants chat to learn about the application process and gain tips for writing a proposal. Participation is not required and does not obligate an organization to apply. To register, email Murl Riedel, murl@humanitieskansas.org.

What makes a successful project? To be competitive for funding, the proposal should clearly define the scope of the work, explain the process, and articulate why the material is important. The best proposals focus on a specific story or collection of material. Eligible projects include, but are not limited to, the following:

- Oral History projects that involves interviewing and transcription
- Research projects that involve a historian or other skilled scholar
- Cataloging, indexing, or inventorying efforts that organize a culturally relevant collection
- Digitization projects that involve photographs, film, audio, or video
- Transcription of diaries, letters, or audio/video recordings to preserve their content and enhance public access
- Language preservation and translation projects
- Hands-on “best practices” training or planning that focuses on collections care
- Online endeavors that make cultural materials accessible to researchers and the public
- Other creative cultural preservation projects

NOTE: Indoor exhibitions and outdoor heritage signage projects are eligible in the HUMANITIES FOR ALL GRANT category. See separate guidelines.

Setting Goals
Projects must have at least 2 goals. Goals are simple statements that summarize what you hope to accomplish. Goals might:

- Identify the amount of material that will be dealt with as part of the project
- Explore, document, and preserve a unique collection or specific story
- Develop skills that can be applied to future endeavors
- Enhance the involvement volunteers, researchers, or collaborating organizations

Contact a Project Consultant. Every project must involve at least one scholar to serve as Project Consultant. Consultants are often museum curators, archivists, or professional historians. The consultant should ensure the methods proposed are consistent with best practices in the field. HK can help identify a consultant.

Before you submit your application, you and your consultant should:

- Talk about the project and discuss how to apply best practices
- Review the application to help clarify goals and process

During the grant project, your consultant may:

- Offer ongoing advice and guidance
• Conduct a site visit or provide hands-on training
• Provide an assessment of the project at its conclusion

Innovation. HK is interested in projects that document diverse perspectives, relate to contemporary issues, or lay groundwork for future projects. Grants are intended to get a project “off the ground.” HK cannot be expected to fund a similar project year after year.

Develop a plan of action with a timeline that lists all the work you hope to accomplish from planning stage to completion. Include:
• List of major project activities to be completed within 12 months or less
• Assign a date to complete each task
• Identify the key project staff and consider their role in accomplishing the activities. Key staff might include Project Director, oral history interviewer, cataloger, volunteers, etc.

Identify ways to share the project with the general public. This could include:
• Culminating open-house, panel discussion, or special speaker
• Hands-on training or workshop
• Traveling photo display or small, temporary museum display
• Blog, social media, or promotional brochure

Grant recipients are required to offer a statewide archive an opportunity to duplicate materials produced with HK funds. To see a list of statewide archives, visit: https://www.humanitieskansas.org/grants-programs/culture-preservation-grants

Create a budget. The budget should show all anticipated expenses needed to accomplish the project. In addition to grant funds, applicants are asked to contribute goods and services equal to or greater in value than the amount requested. This is called cost share and can include:
• Staff and volunteer time devoted to the project
• Donated use of office space, venue facility, equipment, and supplies
• Social media, public service announcements, and other free publicity
• Refreshments at companion events

Cash match is not required. Grant funds can only be used for direct costs. HK can only accept costs accrued after the official start date of the grant period. Contact HK for clarification.

Grant funds CAN be used for:
• Salaries for temporary staff specifically hired to carry out the project
• Salaries for part-time staff employed by the sponsor organization who play a significant role in the project
• Honorarium for the Project Consultant
• Travel reimbursement for staff and out-of-town consultants
• Archival material, digitizing services, duplication, program announcements, reports, etc.

• Non-durable supplies, such as CDs or DVDs. External drives are considered special purpose equipment and costs up to $200 are allowed.
• Rental of facilities or equipment such as cameras, projectors, or sound system

Grant funds CANNOT be used for:

BUDGET FORM

16. BUDGET.
The budget shows all anticipated expenses throughout the course of the project and indicates what is to be funded with the HK grant or with cost share. Applicants must provide cost share that is equal to or greater than the grant amount requested. Cost share is goods or services contributed to the project by the sponsor organization (or parties involved) that are not funded with the grant.

Include detailed notes for each expense that explains how the amount was determined. Round totals to the nearest dollar. Provide details in the following categories:

- Project Staff
- Honoraria
- Travel
- Promotion
- Supplies
- Equipment and Facilities
- Other Expenses

What Do These Budget Categories Mean?

Project Staff is the value of time for people who administer the project, both paid and volunteer. Staff may include project director, marketing coordinator, or specialty staff hired for the project. For each person, estimate the total hours dedicated to the project and multiply by a comparable wage.

- Fiscal Officer’s services must be a cost share contribution.
- Grant writing or other activities prior to the grant award cannot be included
- Volunteer time may be valued at $15/hr and should be listed as cost share

Honoraria includes payment to the Project Consultant. The consultant’s role typically involves phone calls, emails, and at least one site visit. The standard honorarium is $200; however, the amount may be more if multiple site visits and training are anticipated. Consultants should be paid with HK funds, unless they are employees of the Kansas Historical Society (KHS). Honorarium for KHS employees is donated in-kind and should be listed as cost share.

Travel includes mileage, lodging, and meals for both project staff and consultants. Projects may require consultants to travel to meetings with the sponsor organization, or staff travel to research sites in Kansas. Only out-of-town travel can be funded by the grant. In-town travel, as well as out-of-state travel, must be counted as cost share. HK allowable rates:

- Mileage: $.50/mt for private vehicles. Rental cars with economy rates are allowed.
- Lodging: Up to $100/night. Expenses beyond this rate must be cost share.
- Meals: Up to $35/day

Promotion includes the costs of creating invitations, flyers, or posters for public events to share the results of the project. It may also include the cost of mailings or promotion through newspapers, radio, or social media. The use of social media is encouraged.

Supplies includes the detailed costs of archival supplies, such as boxes, folders, photograph sleeves, or cotton gloves. This category also includes estimated costs for office supplies needed for the project, such as pens, paper, printer ink, etc. Include quantity and unit cost.
**Equipment and Facilities** includes rental costs for meeting rooms, public venues, cameras, or other items needed for a project. Grant funds cannot be used to purchase equipment, but you can place a fair market value on its use as cost share. Fair market value is based on the cost of renting similar equipment.

**Other** includes the expense of duplicating photographs, digitizing services, other costs essential to the project not previously identified. Be specific. HK rarely funds “miscellaneous” costs.
