

Dear Friends,

Thank you! 2019 was another terrific year for Humanities Kansas. Hundreds of humanities happenings occurred across the state and they happened because of you – enthusiastic local project directors bringing grassroots projects to life with passion, humanities scholars with expertise to help guide the dialogue, and event participants contributing stories and insights.

We also want to thank HK's board of directors for their leadership, staff members for their dedication and innovation, and generous donors whose contributions ensure that HK events remain free and open to the public.
