

HUMANITIES KANSAS

A Movement of Ideas

Humanities Kansas is an independent nonprofit spearheading a movement of ideas to empower the people of Kansas to strengthen their communities and our democracy. Since 1972, our pioneering programming, grants, and partnerships have documented and shared stories to spark conversations and generate insights. Together with our partners and supporters, we inspire all Kansans to draw on history, literature, ethics, and culture to enrich their lives and serve the communities and state we all proudly call home.
