KANSAS 50  
A Movement of Ideas

# 50 and Forward

ANNUAL REPORT  
FY 2022

## Dear Friends,

What a year! 2022 was the 50th anniversary for Humanities Kansas and this milestone was made even more meaningful because of you. Kansans gathered and connected through the special *Kansas 1972* podcast, a *We Heart Humanities* statewide campaign, an online event with U.S. Poet Laureate Joy Harjo with more than 1,000 viewers, a season of *Big Idea* online programs featuring Indigenous scholars, *Movement of Ideas* bus tours, *Feast for the 50th* dinners, cozy receptions, and the inaugural launch of the *Hotel Humanities* weekend retreat exploring all things history, literature, and community. New exhibitions, compelling history presentations, book discussions, and other community events flourished statewide. Kansans brought the Movement of Ideas to life and engaged and connected with one another in ways that were nothing short of inspiring. The 50th year was one for the record books.

The activities in this Annual Report were made possible because of the support HK received from you. Your generous donations ensured that all HK events were open to the public. Enthusiastic local projects directors identified needs and leaned into HK programs, grants, and projects to connect with their community. Humanities scholars created presentations linking our past to the present. And event participants did it all – hosted and attended events, went online, and gathered for conversations over books, Kansas history, and more. Together, we sparked conversations and shared ideas. The results, as you'll see in this report, are impressive.

Stories are at the heart of this work. Since our founding as an independent nonprofit in 1972, HK has used stories rooted in the humanities to spark fresh thinking and to navigate conversations. Stories carry our culture; they educate and change us. They inspire and challenge us. They provide comfort and encourage curiosity. Through this work, we gratefully connect our stories to yours. An extra thank you to the staff and board of directors who guide HK every step of the way.

All the very best,

Julie L. Mulvihill
